

RACE for REWARDS™

DRIVE PERFORMANCE! REWARD TOP PERFORMERS!

Race for Rewards™ is a **fast-paced, high-energy** rewards event that will enhance teamwork and be remembered for a lifetime!

How it works: The clock starts at the sound of the horn – then, participants race through the warehouse, grabbing as many rewards as possible in a pre-set amount of time. Once time is up, we pack up the winnings and ship them straight to the recipient's home. It's an exhilarating experience that is sure to leave a lasting impression.

Nothing says **"Power of Choice"** like running through aisles packed with hundreds of brand name rewards!

- Electronics
- Housewares
- Handbags
- Jewelry
- Sporting Goods
- ... and more!

All at Factory Direct Prices!

Each Race for Rewards can be fully customized to make it special for each recipient:
