RYMAX ANNOUNCES EXCLUSIVE PARTNERSHIP WITH PHILIP STEIN

PINE BROOK, NJ—March 19, 2009—Rymax Marketing Services, Inc., the largest brand name merchandise provider in the incentive industry, recently announced an exclusive partnership with Philip Stein, maker of watches and wine wands that promote mind-body wellness. This is the first time Philip Stein products are available exclusively through a single representative within the incentive industry.

Reward programs show an increase in health and wellness-related products, specifically items that can reduce stress and increase energy. Philip Stein wine wands and watches utilize frequency-based technologies to restore and improve the body's natural flow. In addition, users of Philip Stein watches report better sleep, less stress, and an overall sense of well-being.

"We are very excited about the addition of Philip Stein to our portfolio of exclusive brands," says Paula Ambrozic, Director of Strategic Relations and Compliance at Rymax.
